The Secretary of the Army has reposed special trust and confidence in the patriotism, valor, fidelity and professional excellence of the following noncommissioned officers. In view of these qualities and their demonstrated leadership potential and dedicated service to the United States Army, they are, therefore, promoted to the grade of rank shown. Promotion is made in the MOS shown in the name line and the MOS is awarded as his or her primary MOS on the effective date of promotion. Promotion is not valid and will be revoked if the Soldier concerned is not in a promotable status on the effective date of promotion. Acceptance of promotion constitutes acceptance of a 3-year service remaining requirement from the effective date of promotion for Soldiers selected on a FY12 or later board. Soldiers with over 10 years AFS are required to reenlist for indefinite status if they do not have sufficient time remaining to meet this requirement, or decline promotion IAW AR 600-8-19, paragraphs 1-30 and 1-31 within 30 days. The authority for this promotion is AR 600-8-19, paragraph 5-4. Special Instructions: None. Failure to complete the required level of NCOPDS as outlined in AR 350-1 for the grade in which you are promoted disqualifies you from future promotion eligibility until that level of NCOPDS is completed.
