The Secretary of the Army has reposed special trust and confidence in the patriotism, valor, fidelity and professional excellence of the following noncommissioned officers. In view of these qualities and their demonstrated leadership potential and dedicated service to the United States Army, they are, therefore, promoted to the grade of rank shown. Promotion is made in the MOS shown in the name line and the MOS is awarded as his or her primary MOS on the effective date of promotion. Promotion is not valid and will be revoked if the Soldier concerned is not in a promotable status on the effective date of promotion. Acceptance of promotion constitutes acceptance of the 3-year service remaining requirement from the effective date of promotion. Soldiers who fail to meet this Service Remaining Requirement (SRR) within 60 days will have the promotion order revoked and will be administratively removed from the Promotion Standing List. Soldiers administratively removed from the Promotion List will not be eligible for reinstatement to that list. The authority for this promotion is AR 600-8-19, paragraph 5-4. Special Instructions: None. Failure to complete the required level of NCOPDS as outlined in AR 350-1 for the grade in which you are promoted disqualifies you from future promotion eligibility until that level of NCOPDS is completed.
